Dear Friends,

It gives immense pleasure to cordially invite you to participate in the National workshop on “Intellectual Property Rights”, on 16th February 2019.

Theme of the workshop

The workshop on “Intellectual Property Rights”, is well structured and covers various aspects on Intellectual Property Rights (IPRs) that are concerned with the protection of tangible and intangible property. It provides rewards and recognition to inventor/contributor for their research, designs, discoveries, inventions, etc. IPR protection plays a key role in gaining modest advantage in terms of technological gains for achieving higher economic growth in a market driven economy. The main aim of workshop is to impart greater awareness about the issue of IPRs, which gained a special importance for all the domains of socio-economic development.

Outcome of the workshop

The participants of the workshop will be able to understand the procedures to convert the research outcome into patents. This training will bring a positive transformation in the faculty member's attitude in their project and research works and get them more focused as well as result oriented, and the process for further commercialization/technology transfer

Target Audience

Faculty members, Industry personnel, Scientists, Research scholars who are into research and want to know more about IPRs, Patents, commercialization and Technology Transfer procedures

Contents of the workshop

The workshop is organized as two technical sessions with the following topics

- Overview on Intellectual Property Rights and Integrating IP tool for R&D Result and University Innovation
- Disclosure of Invention for Patent Protection and Patentability Evaluation
- Drafting Patent and Patent Prosecution in India and Abroad
- IP Issues in Digital Technology and Copyright in Protection and Registration
- IP Issues in Technology Transfer, Industry Academic Collaboration
- Questions and Answers
